Policy Statement

Achieving autonomy and acceptance of one's personal responsibility are student development goals promoted throughout every facet of collegiate life. Such goals are promoted within the Family Rights and Privacy Act (FERPA). In 1998, however, amendments to FERPA gave colleges and universities the option to notify parents or guardians of a student's violation of any federal, state, or local law, or an institutional disciplinary policy relating to the use or possession of alcohol or a controlled substance. The amendment clearly recognizes the cooperative partnership colleges have with parents and guardians that moves beyond enrollment to those times when intervention is a practical response to prevent the loss of a student's personal and collegiate goals.
