STATEMENT OF PURPOSE

The COMPASS sets parameters by which recognized student organizations can effectively and efficiently, organize, function, and achieve set goals and objectives. By becoming a recognized student organization at the College of Charleston, you have demonstrated an interest in being an active part of this community and a vital part of the educational process.

The Student Government Association (acting as an agent under the auspices of the Office of Student Life, a member of the Division of Student Affairs) granted your organization the title of recognized student organization because your group met certain criteria and accepted the responsibilities of being an active member of the CofC Community. The College lends its name and support to a variety of student organizations in order to complement the academic curriculum of the College. Organizations must have a purpose consistent with the mission and values of the College. Recognition is a formal agreement for an organization to exist on campus.

Organizations are required to remain in good standing and adhere to all of The COMPASS policies and procedures. Recognition grants organizations the use of the College’s facilities, services, name and wordmark as outlined in this guide.

The College views student organizations as private affiliations and does not endorse the mission, goals, or purpose of an organization. The College of Charleston is committed to liberal arts principles of academic freedom and open inquiry. However, the institution
expects all recognized student organizations to represent the College well and exercise professional and ethical standards of excellence. The College refrains from intervention except in matters which conflict with the mission and core values of the institution.

All guidelines and procedures contained within The COMPASS are consistent with the College of Charleston Student Handbook.

PETITION TO ORGANIZE

The Student Organization Review Board (SOR) is a standing committee of the SGA that is responsible for reviewing all applications by groups requesting to become recognized student organizations. All recognized student organizations undergo this process to determine if each is operating as an active part of the CofC community and a vital part of the educational process.

Proposed student organizations must meet the following conditions:

- It must be understood that the College reserves the right to revoke any organization’s charter and/or status should the organization violate College policies, procedures, practices, rules and regulations.
- The proposed organization shall not duplicate the mission or purpose of another currently recognized organization.

THE RECOGNITION PROCESS

Contact the SGA Secretary, Emily Torchiana at torchianaef@cofc.edu to answer any questions you might have regarding the startup of a new organization. The SGA office is located on the fourth floor of the Stern Student Center (Room 401). The recognition process generally proceeds in the following manner:

- Determine organization Status: Registered or Sanctioned (see page 12)
- Identify best fitting organization category:
- Secure an on-campus staff or faculty member to serve as the organization’s advisor, this may include adjunct faculty
- Complete the New Student Organization Request Form available on OrgSync.
- SGA Secretary will then schedule a tentative appointment to present request to the SOR Board
- SOR presents the proposed organization to Senate for preliminary approval status to enter the 28-day waiting period.

THE 28-DAY WAITING PERIOD
An SOR representative will be assigned as a contact for the proposed group to address questions and provide guidance throughout the 28-day period

During this 28-day waiting period the group:
- MUST schedule a meeting with SGA Treasurer, Nicholas Catherall, at catherallns@cofc.edu, prior to final approval by Senate
  *** The club or organization is responsible for scheduling this appointment
- May reserve campus facilities for the purpose of recruiting members only
- May not apply for a budget or contingency funding
- May not generate funds to include collecting of dues, fundraising, etc.
- May not host and/or participate as a “club” in on or off campus activities until final approval has been given by the SGA

Failure to comply with any of the aforementioned steps will result in an extension of the 28-day waiting period or removal from consideration at the discretion of the SOR Board. Upon completion of the 28-day waiting period, the SOR Board will present the proposed organization for final approval to Senate. A student representative of the proposed organization MUST be present at the Senate meeting in order to be approved. The SOR Board will formally notify the proposed organization of the Senate’s decision.

Any organization denied recognition may petition again after meeting with the SGA Secretary. After Senate approval, the organization will be granted recognized status, gaining all the rights, privileges and responsibilities associated with SGA recognition.
Newly registered organizations passed through Senate in the Fall semester must be heard by SOR by October 26, 2015 and heard by SOR by March 14, 2016 in the Spring Semester, in order to be considered fully recognized.

TYPES OF RECOGNIZED STUDENT ORGANIZATIONS:

REGISTERED ORGANIZATIONS:
These are organizations that would place restrictions on its membership (i.e., closed membership, must be a member of a local, state or national affiliate, must be a specific declared major, must maintain a certain GPA (beyond the College’s “in good standing” standard 2.0 GPA, must pay dues to be a member).

No organization will be denied registered status based upon mission, religious or political affiliation.

Registered organizations are not eligible for a budget provided by SGA, but may be eligible to apply for contingency funds and may generate other funds. Registered organizations are not permitted to have financial accounts outside of the College of Charleston.

SANCTIONED ORGANIZATIONS:
Organizations that would be open to all students on campus; there are no membership requirements placed on these organizations.

Sanctioned organizations may apply for a budget each semester and are also eligible to apply for contingency funds and generate their own funds. Sanctioned organizations may not have financial accounts outside of the College of Charleston.

RECOGNIZED STUDENT ORGANIZATION LEADERSHIP
When a member of any organization accepts a titled leadership* position or office, he or she must be a full-time student in good standing** who is eligible to serve in accordance with the organization’s constitution and committed to fulfilling the responsibilities of the position.

*All titled positions are considered to be chief officers (President, Vice President, Secretary and Treasurer or the equivalent).

**Good standing refers to a minimum cumulative 2.0 GPA or greater as defined by the organization’s by-laws and no current penalty of disciplinary sanctions of any kind. This information may be verified by a representative from the Office of the Dean of Students.

Chief Officers are responsible to direct, supervise and evaluate the job/position performance of each elected or appointed organization member. The Office of Student
Life recommends that every organization formulate an evaluation process to address job/position performance.

Officers in an organization can be removed from their position based on the following:

- Suspension of Term: Any officer who is charged by a member of the College community with a violation of the Honor Code must relinquish the office until after he/she has had a hearing with the Honor Board. If the accused is found not in violation of the charge, the officer will be immediately reinstated to office. If the accused is found to be in violation, the officer will immediately step down from his/her position.
- Officer’s GPA drops below cumulative 2.0
- Officer receives academic or disciplinary sanctions
- Graduation - If a student graduates (completes degree requirements and is no longer an enrolled student) while holding office in an organization, the office automatically terminates at graduation, unless the student enrolls the subsequent semester.

The Office of Student Life has the authority to rescind the position of any organization officer that is found to be ineligible to hold office.

**STUDENT EMPLOYMENT:**
Paid and volunteer members of student organizations are considered to be employees of the College of Charleston. The basis for student employment is to assist in meeting the needs of the College, provide students with financial support in pursuit of their academic goals, and provide opportunities for academic or administrative job experience. The job duties and responsibilities of student employees vary greatly, and may or may not be related to their fields of study. Specific information related to on-campus employment is available on the Career Center website at careercenter@cofc.edu.

**CONFIDENTIALITY:**
Please note that as an employee of the College of Charleston, all information contained in files and/or records or otherwise accessible by virtue of employment by the College (whether in a paid or volunteer position) is presumed to be confidential. The unauthorized release or removal of such information, whether to parties internal to the College or external, is strictly prohibited and may lead to termination of employment on the first offense. If in doubt about a request for information, it is the employee’s responsibility to discuss the request with their supervisor or advisor before a decision to release the information is made.

**STATEMENT ON HAZING:**
Hazing, defined as an act which endangers the mental or physical health or safety of a student, which subjects a student to harassment, ridicule, intimidation, physical...
exhaustion, abuse, or mental distress, or which destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group or organization. The express or implied consent of the victim will not be a defense. Apathy and/or acquiescence in the presence of hazing are not neutral acts; they are violations of this rule.

More information on hazing can be found at http://www.stophazing.org/laws/sc_law.htm.

DATE AUCTIONS:
Date auctions, or any type of event in which people are auctioned, are not permitted on-campus by any Registered Student Organization. Resources including, but not limited to room reservations, posting space, and funding cannot be used for this type of event.

RECOGNIZED STUDENT ORGANIZATION ANNUAL REGISTRATION PROCESS
On-Going Registration is required for all recognized student organizations. It ensures that up-to-date leadership/contact info is on file with the SGA and the Office of Student Life, and reflects an organization’s active participation on campus.

On-Going Registration opens up mid-March (for the upcoming academic year) and closes by mid-September (of the current academic year). Organizations may change their status from either registered to sanctioned or vice versa. To change status, an organization must schedule a hearing with the SOR Board by contacting the SGA Secretary. Upon recommendation of the SOR Board and approval of the Senate, status can be changed.

ORGSYNC REGISTRATION POLICY
All active clubs and organizations are required to register on OrgSync. This will replace any paper registration. The following minimum information is required on an organization’s OrgSync profile:

- A profile picture;
- Primary Contact/President name, email, and phone number;
- Advisor Name, email and phone number;
- Website (if applicable);
- Meeting day, time and location; and,
- Constitution (file upload).
- Current list of members.

OrgSync is an online content management system that is available for all students and student leaders on campus. This new system provides a platform with more than 35 tools that help student leaders more effectively lead and manage their student organizations.
The OrgSync site is accessible through MyCharleston or orgsync.com. Trainings will be available throughout the year on how to utilize OrgSync to further an organization.

*** All administrators are required to maintain the organization’s roster through OrgSync under the “people” tab. Having a current and up-to-date roster is essential to the success of the organization and mandatory for recognition.

**DORMANCY**
Failure to comply with the On-Going Registration process will result in an organization becoming dormant.

**FIRST YEAR OF DORMANCY:**
A first year of dormancy will take effect after mid-September of the current academic year and will last until an organization rectifies its status with the SGA Secretary. Organizations that fail to take any action by the last day of class of the current academic year and will automatically begin their second year of dormancy.

The following actions will be taken during an organization’s first year of dormancy:

*Sanctioned Organizations:* If an organization does not complete the On-Going Registration packet by mid-September of the current academic year, all spending will be put on hold (both budget and revenue) and will remain on hold until registration has been received by the SGA Secretary.

The organization forfeits its right to apply for funds through the contingency process. Use of campus facilities will be restricted. In the event an organization has previously reserved space, the reservation will either be cancelled or the organization will be subject to off-campus organization usage fees.

A list of dormant organizations will be distributed to other campus reservation offices as well, further restricting facilities use.

*Registered Organizations:* If an organization does not complete the On-Going Registration packet by mid-September of the current academic year, the organization forfeits its right to apply for funds through the contingency process.

Use of campus facilities will be restricted. In the event an organization has previously reserved space, the reservation will either be cancelled or the organization will be subject to off-campus organization usage fees.

A list of dormant organizations will be distributed to other campus reservation offices as well, further restricting facilities use.
SECOND YEAR OF DORMANCY:
Failure to rectify dormancy status by the organization following the first year of dormancy will automatically result in an organization becoming dormant for a second year. If an organization falls into a second year of dormancy:
The organization will be removed from all SGA-maintained organization lists and websites.
Any open College of Charleston budget and revenue accounts will be closed.
Use of campus facilities will be subject to off-campus organization usage fees.
The organization will have to petition to re-organize as a new group and will be subject to a new SOR hearing and a 28-day waiting period prior to Senate approval.

FUNDING

FUNDING PHILOSOPHY:
It is the SGA’s intent to enrich the College of Charleston student’s education outside of the classroom and to provide social, cultural and recreational opportunities for the student body. **Semester operating and contingency funds are allocated to recognized student organizations to help meet that goal during the academic year.**
Funding requests take the form of either semester operating funds or contingency funds for special events. The members of the Allocations Committee of SGA is aware that all students pay a student activity fee of $65 per full-time student per semester (a portion of which is allocated to SGA for distribution to student organizations) and will attempt to meet the needs of any SGA recognized organization.

ELIGIBILITY FOR FUNDING:
The SGA receives a limited amount of student activity fee funds to distribute for student organization use. The SOR Board decides the status of an organization, which determines the types of funding it may apply for or otherwise acquire. However, attaining a certain status does not guarantee receipt of funding, only an eligibility to apply. Once an organization’s status is determined, the organization can apply for funds through SGA Allocations Committee. The SOR Board classifies organizations as **registered** or **sanctioned**, as outlined in the section titled “Types of Organizations.” (See page 10)

Any infraction of the Compass guidelines will be cause for review by the Allocations Committee. Pending the outcome of the review, the committee may submit a Bill to the Senate authorizing the Treasurer to “hold” allocated funds for a period of up to but not more than one week. Additional penalties could be levied pending the outcome of the review.
The following forms relating to funding through the SGA Allocations Committee can be found through OrgSync:

- Event/Program Contingency Request Form
- Travel Contingency Request Form
- Change of Request Form
- Student Outreach Fund Form
- Semester Budget Request Form
- Appeal Form

**BASIC ALLOCATION CONSIDERATIONS:**
The SGA Allocations Committee:
- Will require fundraising efforts by organizations; inquire about how funds have been acquired and how they will be spent.
- Will require organizations to spend a portion of allocated funds on publicity.
- Will be reluctant to fund equipment, events, or programs that fall within the purview of a campus department.
- Organizations requesting funds cannot receive class credit for their event/travel.
- Will **NOT** pay for clothing such as uniforms, costumes, etc. This includes organization t-shirts that are used as a fundraiser.
- Will budget funds to be used to purchase t-shirts for organization members **ONLY**.
- No allocated funds can be used towards a fundraiser in order to create funds for the organization.
- **No outside bank accounts may exist for recognized student organizations.** If an outside account is found to exist, the Allocations Committee will place a “hold” on that organization’s campus funds pending review.

**STUDENT ORGANIZATIONS SUMMIT:**
Failure to have student representation at the Student Organizations Summit (Saturday, September 12, 2015) will result in the following:

- Nonattendance at the Budget, Risk Management and OrgSync Sessions will result in a 30% reduction of a budgeted sanctioned organization’s beginning budget.
- Budgeted and Non-budgeted sanctioned organizations will not have access to contingency funds for the appropriate semester.
- Registered organizations will not have access to contingency funds for the appropriate semester.
- Newly recognized sanctioned organizations must attend the Budget II session held in the beginning of the Spring 2015 semester.
ELIGIBILITY FOR SEMESTER BUDGET:
To receive a Spring 2016 semester budget, an organization must be sanctioned by SGA Senate no later than October 27, 2015

To receive a budget Fall 2016 semester an organization must be sanctioned by SGA Senate no later than March 1st, 2016.

Registered clubs may request contingency funds but are not eligible for a semester budget.
The qualifications for obtaining sanctioned status are outlined in the section titled “Types of Organizations” (Page 10).

ONE-TIME “START-UP” BUDGET:
New organizations that become sanctioned in the Fall/Spring semester after the budget process has been completed are eligible for a one-time “start-up” budget of $250. This money is NOT automatically transferred. The Start-Up Budget Request form must be completed and submitted to the SGA Treasurer. The form is available in the SGA Forms section of OrgSync.

FUNDING PROCESS:
Sanctioned organizations are eligible to apply for a Budget (operating funds) for the fall and spring semesters through the following process:

1. Attend a Budget Workshop
   Workshops for Spring 2016 funding will be held October 5-9, 2015
   Workshops for Fall 2016 funding will be held February 10-12, 2016
   Locations to be announced
   Any responsible organization member may attend. However, the President and/or Treasurer are encouraged to attend, as they will probably be the persons creating and submitting the budget request.
   Note: Failure to appear at one of the workshops will result in NO BUDGET for the semester.

2. Submit a Budget Request Form
   Spring 2016 Budget Requests due by 5pm, October 23, 2015
   Fall 2016 Budget Requests due by 5pm, February 26, 2016
   All budget requests must be submitted electronically via OrgSync.
   Note: All budget request received after the deadline will receive a 10% reduction at the discretion of the Allocations Committee.

3. Signup for and attend a Budget Hearing
   A knowledgeable representative (preferably the President and/or Treasurer) will meet with the Allocations Committee to present the budget request and answer any questions the committee may have about the proposal.
After deliberations by the Allocations Committee, the preliminary approved budget listing will be posted on OrgSync. Organizations must request a copy of the complete breakdown of their proposed funding from the SGA Treasurer.

The SGA Treasurer will submit the budget to the Senate one week prior to the Senate vote to allow time to review and ask questions regarding the organization budget totals. The Senate will approve and submit the budget to the Director of Student Life.

Funds must be spent in the semester for which it is issued. Funds not spent before the Dark Period begins cannot be carried forward to the next semester.

Please note that revenue funds (from fundraising activities or donations) will carry forward to the next semester.

**APPEAL TO SEMESTER FUNDING PROCESS:**
Organizations wishing to appeal their funding must submit a completed Appeal Form via OrgSync by the stated deadline. After the form is submitted, an appeal hearing will be held to reconsider the organization’s budget request in its entirety.

**CHANGE OF REQUEST PROCESS:**
Changes to an organization’s approved budget may be requested by submitting a completed Change of Request Form. Change of Request Form must be submitted to the SGA Treasurer electronically via OrgSync by 5pm on Monday. A knowledgeable organization representative must appear before the Allocations Committee to discuss the change. Request must be submitted in advance to allow the organization enough time to meet the three (3) week advance planning deadline.

**CONTINGENCY FUNDS:**
The Contingency Fund is available to assist recognized organizations whose needs were not foreseen, requested or approved during the budget process. Eligible, recognized organizations may submit a completed Event/Program Contingency Request Form or a Travel Contingency Request Form via OrgSync by 5pm Monday. Once submitted, the SGA Treasurer (or another member of the Allocations Committee) will notify the organization of their meeting time. Please note the following in regards to the contingency funds:

- Organizations cannot request Contingency Funds for an event/travel that was funded in their current budget. Contingency Funds may be requested for increases in Travel if there are extenuating circumstances (i.e. increase in hotel cost, registration fees, etc.)
- A knowledgeable member must meet with the Allocations Committee to discuss the specifics of the request.
- The Allocations Committee will consider contingency requests according to the organization’s prior funding, activity, and intended use of the funds.
The Allocations Committee will deliberate the request and alert the organization of its decision via email. If the Committee approves the request, a Bill will be written and present the request to Senate.

A student representative of the organization is required to appear before Senate to support the request. Failure to appear before Senate will cause the Bill to be tabled for up to two weeks. After two weeks, the Bill “dies” and the request must be resubmitted.

If Senate approves the Bill, the funds will be available to the organization through the Office of Student Life Business Manager. The Organization is responsible for contacting the Business Manager to initiate the process of accessing the funds.

Organizations collaborating on the same event should appear before the Allocations Committee together to ensure that all aspects of the request are being considered.

No money will be allocated to organizations that have not initiated fundraising efforts to support the activity or event brought before the Allocations Committee. Exceptions to this policy are at the sole discretion of the Allocations Committee.

CONTINGENCY FUND RESTRICTIONS AND LIMITATIONS:
In general, no money will be allocated for events that charge admission to College of Charleston students. However, organization receiving contingency funds may charge admission to offset costs of the requested event with the approval of the Allocations Committee. No collection of admission fees can be used as fundraisers to the organization. Collected funds must be deposited.

CONTINGENCY FUNDS FOR REGISTERED ORGANIZATIONS:
Registered organizations are eligible to apply for contingency funds in accordance with the following stipulations:

- Funds must be used to benefit the general student body, and the event must be held on the College of Charleston campus.
- Organizations CANNOT use funds for registration fees for conferences, conventions, or workshops for members.
- Organizations may receive no more than one allocation for travel per semester.
- Funds may be used for gas receipts or vehicles rented by the College. The Business Manager must approve all purchases and travel arrangements using contingency funds prior to the use of funds.

CONTINGENCY FUNDS FOR CRS SPORTS CLUBS:
Sports Clubs are clubs that fall under the supervision of the Campus Recreation Services Department. These registered organizations are eligible to apply for funds in accordance with the following stipulations:
• Funds can be requested upon consultation with the Director of CRS.
• Funds CANNOT be used for registration/membership/entry fees.
• CRS organizations may not receive more than one allocation for travel per semester.
• Funds can only be used for gas receipts and/or vehicle(s) rented by the College.
• Students CANNOT initiate travel arrangements and therefore must consult with the Business Manager and the Director of Campus Recreation Services.

STUDENT OUTREACH PROGRAM:
Note: This program is limited to a maximum of $500 per individual per semester.

The Student Outreach Program provides support to undergraduate students at the College of Charleston in endeavors that provide opportunities for growth as global citizens and the ability to serve as representatives of the institution beyond the campus community. The primary goal of the Student Outreach Program is to assist individual students (not connected to a recognized student organization nor a department sponsored program) with costs associated with projects or programs that allow them to enhance their academic experience, develop a professional network and promote the quality programs and resources offered by the College to a broad and diverse audience. The Student Outreach request form, located on OrgSync, must be submitted by 5:00pm on Monday during the fall and spring semesters. Forms should be submitted at least four weeks prior to the commencement of the intended event.

In the case where two or more persons are seeking Student Outreach Funding for the same event, it is recommended that they submit their requests together for consideration by the Allocations Committee. Once funding is awarded to attend a specific event, subsequent requests for the same event may subject to receive decreased funding or be ineligible for funding.

Examples of fundable requests include but not limited to:

• Registration fees for conference, conventions, workshops
• Travel expenses (airfare, gas receipts, lodging) associated with research, presentation of findings or receipt of an award
• Entry fees for contests/competitions
• Additional academic opportunity (not to be receiving class credit)

Examples of items that will NOT be funded include, but are not limited to:

• Tuition and fees
• Textbooks
• Personal travel
• Personal expenses associated with travel (meals, incidentals, etc.)
• Clothing
• Computer hardware/software

**Funds MUST be spent by the end of the semester in which they were allocated.**

The individual student must submit a Student Outreach Program Request via OrgSync by 5:00pm on Tuesday. A written rationale/justification must be included on the form. The rationale should include the purpose of the request, a timeline to use the funds, a line-itemized budget of expenses associated with the request and how the project/activity will benefit the individual and the College.

Letters of support from faculty members, academic advisors, etc. and must state that the project/activity is not for class credit should be included.

The applicant is required to present their request to the Allocations Committee. If the applicant fails to appear or is unprepared for the presentation, the hearing will be postponed and must be rescheduled by the applicant.

Requests should be reasonable and accurately reflect costs incurred in the project/activity.
Awards are up the discretion of the SGA Allocations Committee and SGA Senate.

**APPEAL OF CONTINGENCY / SGA STUDENT OUTREACH PROGRAM DECISION:**
The appeal process to the Allocations Committee is as follows:

• The individual/organization must request reconsideration from the committee through the Appeal Form found on OrgSync and submitted **by 5pm on Friday** following the original decision by stating the justification.
• Only one appeal per request will be considered by the Allocations Committee before presenting it to Senate.
• If the individual did not request reconsideration of the committee’s original decision, but the Senate voted the committee’s recommendation unfavorable to the individual, it may request that the President exercise his/her line-item veto power and reinstate the committee’s original decision.
• The Presidential veto can be over-ridden by a two-thirds vote by the Senate.

**COLLEGE FUNDRAISING POLICIES:**
Organizations are encouraged to raise funds to support programs and services sponsored by the organization and supplement monies received through the budget process. Fundraising events/programs must be consistent with the mission of the organization as well as institutional policies and procedures. On-campus fundraising activities (bake sales, drawings, etc.) do not need to be approved.
Space and equipment needed for on-campus fundraising activities must be coordinated through the Office of Student Life in accordance with existing scheduling/reservations policies.

Organizations seeking off-campus and/or corporate sponsorship or donations must contact the Development Office (at 843-953-5568) before approaching individuals or business outside of the College of Charleston community.

Revenue made from fundraising can be carried over to the next academic year and/or semester.

**No allocated or contingency funds can be used for donations or collections for philanthropy, cash prize money or scholarships.** Raffles must be described as an “opportunity for a free drawing” for a suggested donation with the understanding that if a ticket is requested at no charge/donation, the organization must provide a ticket to the individual.

Collected funds must be deposited to the Office of Student Life Business Manager within two to three (2-3) business days after the event. NO ROLLED COINS or loose change that totals more than $.99 will be accepted for deposit. All coins must be transferred to “paper” money before making a deposit with the Business Manager.

**VENDORS:**
Student Affairs and Business Affairs are responsible for all vendor sales on campus. Outside vendors are prohibited from selling on campus without prior permission from one of these departments. Recognized student organizations may engage in sponsored commercial activity on College controlled property (this excludes activities procured via the College of Charleston/ State procurement process) provided the Sponsored Commercial Activity Request Form Guidelines (a) have been met and completed and (b) the Commercial Vendor Agreement and Sponsored Commercial Activity Request forms have been submitted to the Office of Student Life at least ten (10) business days prior to the planned event. **This is especially important if your organization plans to include an off-campus vendor in a fundraising event that is planned to take place on-campus.**

Allocated funds may be used for travel by a member of the organization that will either represent the College or in which the members will gain knowledge or experience beneficial to the student body and/or to the individual’s organization. Funding for travel for second-semester Seniors is at the discretion of the Allocations committee.

Other guidelines are as follows:

- Organization members must incur a portion of travel expenses.
- Personal vehicles will be reimbursed for gas receipts only.
- The Allocations Committee may fund up to 75% of any individual’s plane travel.
Airline requirements for checked baggage will be the sole expense of the traveler.

A maximum of 75% a night may be allocated for lodging.

Priority funding will be given to quad-room occupancy.

SGA funding cannot be used to offset the cost of an Advisor’s travel costs.

No funds will be allocated for food and must be the expense for the traveler. Any organization planning to travel using budget and/or contingency funds MUST make arrangements AT LEAST FOUR (4) WEEKS IN ADVANCE through the Business Manager. Failure to do so may result in the trip NOT being paid for by SGA funds. Those trips requiring air travel should make arrangements as far in advance as possible to obtain the least expensive airfare. Before asking for funds, the organization and/or individual(s) traveling should consider and be prepared to discuss:

- The most economical means of travel
- The most convenient and economical form of lodging
- Registration fees.
- The names and ID numbers of students traveling must be submitted with the Travel Waiver to the Business Manager THREE (3) WEEKS prior to the organization leaving.

If your organization is planning to travel (and use College owned vehicles, vehicles rented by the College on behalf of the organization or request reimbursement for travel from the College), Vehicle Safety Training must be completed at least three weeks prior to the scheduled trip/travel. Students must bring their driver’s license and DMV record with them to the training session.

The SGA Allocations will support day trips, but will only recommend funds for transportation (such as gas or rental vehicles).

*Out-of-State Travel:* The College of Charleston’s Domestic Travel Waiver Form must be completed whenever students travel away from campus in conjunction with a College course, program or sponsored activity (other than sponsored athletic events). Examples of domestic travel include (but are not limited to) overnight retreats, conferences, workshops and seminars. A copy of the form is available online at [studentlife.cofc.edu/forms-and-policies](http://studentlife.cofc.edu/forms-and-policies) and on OrgSync. Each individual student must complete their own form.

EVENTS AND PROGRAMS

EVENT MANAGEMENT/PREPARATION

PLANNING:
When planning any event/program, allowing plenty of time to fully implement ideas is essential to successful programming. New issues and planning for unforeseen concerns always arise no matter the size of an event. Allowing three to four weeks for event planning gives organizations the time needed to implement established ideas as well as new and unforeseen elements. The Event Planning Checklist provided by the Office of Student Life can be a helpful tool for any event. (studentlife.cofc.edu/forms-and-policies/)

VENUE AVAILABILITY:
One of the most important details to confirm early in the programming process is the location of your program. A variety of facilities and venues are available on campus for recognized student organizations to reserve for programs and events. A calendar showing the availability of facilities on campus can be found through the Student Life Reservations webpage (studentlife.cofc.edu). The Office of Institutional Events provides a comprehensive list of facilities and contact information for reserving campus venues at http://president.cofc.edu/administration/inst-events/venue-rentals/index.php

SPACE RESERVATIONS:
Student organizations may be charged a usage fee and/or damage deposit for use of on-campus venues. Organizations that fail to return facilities and/or venues to their pre-event condition (including the removal of decorations, proper disposal of trash, etc.) will forfeit their damage deposit. Additional charges may be assessed if cleaning or repair costs exceed the amount of the damage deposit. Excessive damage and/or failure to adhere to facility usage policies will result in the loss of the organization’s ability to reserve campus facilities and venues in the future. Please check with the facilities manager early in the planning process to learn of any additional policies, procedures, or deposits.
HOW TO RESERVE STUDENT LIFE FACILITIES
The Office of Student Life is responsible for room/space reservations for the following facilities on-campus:

- Theodore S. Stern Student Center
  - Including: Lobby, Room 201, Room 205, Room 206, Game Room (for special events), Room 321, Room 322, Room 409, Room 408, Ballroom
- Stern Center Garden
- Cougar Mall (non-amplified sound)
- Rivers Green (non-amplified sound)

Reserving meeting/event space is easy! Here’s all you need to do:

1. Visit [http://sterncenter.cofc.edu](http://sterncenter.cofc.edu)
2. Click on the Reservation Calendar link on the upper right hand corner of the page (under Quick Links). This will help determine whether a particular space/venue is even available for the date needed.
3. If the space/venue desired is available on the date needed, return to the Stern Center main page and click on the Reservation Request link (also under Quick Links). Select the Reservation Request Form (faculty/staff or students).
4. Complete all of the fields included on the form and click the Submit button at the bottom of the page to send your request to Student Life Reservations. Please note that reservations must be received at least five (5) business days in advance of the date requested and that requests are not processed on weekends. Events requiring extensive set-up must be submitted at least 10 business days prior to the proposed event.
5. **ALL STUDENT REQUESTS REQUIRE AN ON-CAMPUS ADVISOR APPROVAL.** Your reservation will not be processed until your on-campus advisor has sent an approval.
6. An electronic confirmation for the reservation will be returned if the venue is available on the date requested.

**PLEASE NOTE:**

- Any reservations that do not include an advisor name and email address will be sent back for more information
- You MUST use your College of Charleston issued email address for your reservation request to be processed.
- When filling out the reservation form, please be sure to include ALL equipment requests, including AV, tables, chairs, laptop, etc. This is extremely important especially for any reservations for the Stern Center Ballroom.
- ALL catered food must be requested through Aramark.
- You MUST check in at the Stern Center Front Desk when arriving for a meeting or event.
• If reserving Physicians Auditorium or the Stern Center Garden, you will need to contact the Business Manager, LaVerne Green at greenll@cofc.edu for AV and any chairs and tables (especially for the garden):

FUNDING AND EXPENSES:
Having funds available to produce an event/program is key to the success of the event planning process. It is also important to set a budget for each event so you do not exceed available funds. All recognized student organizations should consult with the Business Manager prior to committing any available funds to an event. Please refer to pages 18-28 for more information regarding organization spending procedures.

ADVERTISING:
The promotion of an event/program should start at least two weeks prior to the date of the event. Allowing two weeks for advertising will ensure that as many people as possible are aware of the event through as many outlets as possible. Advertising/marketing should not begin until all event details are confirmed. Please refer to the above mentioned Event Planning Check list regarding details that need confirmation.

RISK MANAGEMENT:
Many events inadvertently include some level of risk management, and it is the philosophy of the Office of Student Life to provide all recognized organizations with the tools and skills to reduce the level of any type of risk that might affect student organization events. It is the responsibility of every student organization to make sure their attendants have a safe and enjoyable experience.

AMPLIFIED SOUND POLICY:
In an effort to continue to develop Student Life at the College of Charleston and promote an increased sense of community on campus, the Division of Student Affairs has created the following policy for the use of amplified sound on-campus in connection with programs and events held on weekdays during business hours during the upcoming academic year:

Events requiring the use of amplified sound that are scheduled Monday – Friday between the hours of 8 a.m. and 9 p.m. will be held in the Stern Center Gardens.

Space reservations for the Stern Center Garden will be accepted on a first-come, first-serve basis through the Office of Student Life and must be approved in advance by the Director of Student Life.

The Office of Student Life and the Division of Student Affairs will provide information related to any special previously approved events requiring amplified sound in a timely manner to the Provost’s Office so that advance notice of events can be distributed to faculty members and academic departments.
The use of amplified sound will not be permitted during the hours of 8 a.m. – 9 p.m. on weekdays in areas immediately adjacent to offices or classrooms facilities (i.e. Maybank Hall, the Cistern, etc.). As always, student organizations will be allowed to host informational tables and programs that do not require amplified sound at these locations.

Requests for exceptions to this policy must be submitted in writing to the Director of Student Life no less than two weeks (fourteen calendar days) prior to the proposed date of the event. A committee comprised of representatives from the student body, faculty and staff of the College of Charleston will convene to review the request and will notify the requestor in writing of the committee’s decision. An Event Planning Form must be completed and all prior approvals for the proposed event (space reservation, Public Safety staffing, etc.) must be received before the proposed event is submitted to the committee for review.

Feel free to contact the Office of Student Life at (843) 953-2291 if you have any questions regarding this policy or campus programming. We look forward to an eventful and memorable year.

**AUDIOVISUAL ASSISTANCE:**

*Stern Student Center:* When requesting a space reservation in the Stern Student Center, please include in your request any audiovisual equipment that will be needed for your event. The Office of Student Life will setup all equipment requested on the Facility Reservation Request Form in the reserved space prior to your event. The Office of Student Life does not charge recognized organizations for audiovisual equipment requested for events occurring in the Stern Student Center. It is encouraged to hire a Media Technician for the Stern Center events that require a high level of technical support.

*Audio/Visual Event Support:* When reserving facilities other than the Stern Student Center, Audio/Visual Event Support can assist student organizations with audiovisual equipment needs. Audio/Visual Event Support must be contacted at least one week in advance and the student organization is responsible for personnel and equipment rental fees. The student organization must contact the Business Manager to make arrangements for an IDT to pay for these services. No audiovisual equipment can be taken off the College premises.

If a program requires more extensive equipment than what the College offers, it may have to be rented from a private business in the area. The Office of Student Life has names and phone numbers of audiovisual companies that have proved themselves capable and dependable. However, most off-campus rentals will cost significantly more than what the college provides.
WAIVERS:
Organizations planning an event that includes a physical activity (i.e. inflatable novelties or kick ball tournament) will need to provide a Student Liability Release and Waiver form for each attendant (see studentlife.cofc.edu). This form ensures that those who participate are aware and understand and risks involved with the event. Waiver forms can be obtained through the Office of Student Life or on OrgSync. Completed waiver forms should be kept on file by the hosting organization for a minimum of one year.

Organizations planning to transport students to an off-campus location will need to provide a “Student Liability Release and Waiver” form for each attendant (see studentlife.cofc.edu). This form ensures that those who participate are aware and understand and risks involved with the event. Waiver Forms can be obtained through the Office of Student Life. Completed waiver forms should be submitted to the Office of Student Life (SSC room 405).

CERTIFICATE OF INSURANCE:
Events that include the contracting of off-campus vendors to supply novelty entertainment (i.e. inflatable entertainment, mechanical bulls, or climbing walls) need to have on site a certificate of insurance, which the contracted vendor needs to supply. The College of Charleston and the State of South Carolina cannot insure off-campus contracted entities.

OFF-CAMPUS EVENTS:
If an on-campus venue is not available for a student organization event, recognized organizations are allowed to hold events off campus. Organizations need to be aware that although the event is held at an off-campus location, organization members will still be held to the same policies and procedures as on campus and can face both on and off-campus sanctions for violations. Payments for all off-campus vendors and locations need to be arranged with the Business Manager prior to any verbal or written agreement made with off campus entities.

AUDIOVISUAL PRODUCTION:
When using off-campus venues check to see if audiovisual services come with the rental agreement. Venues that provide the audiovisual services an organization needs, can help reduce costs. If the venue does not, the Office of Student Life has names and phone numbers of audiovisual companies that have proved themselves capable and dependable. Please note, most off-campus rentals can cost significantly more than what the college provides.

ORGANIZATION SPONSORED EVENTS WITH ALCOHOL:
Policies are designed to ensure that group functions are conducted in compliance with South Carolina state alcoholic beverage laws and College of Charleston regulations. The policies are also intended to discourage irresponsible use of alcoholic beverages and emphasize responsible drinking behavior, thereby minimizing the liabilities of the
College of Charleston and of the sponsoring group. This policy is written for all recognized student organizations and offices working with student organizations at the College of Charleston. When planning an event, make sure this policy is read in its entirety. Sorority and Fraternity-sponsored events are also subject to the stipulations listed in *Risk Management Policy for Interfraternity, National Pan-Hellenic and College Panhellenic Fraternities and Sororities at the College of Charleston*.

**ON-CAMPUS STUDENT ORGANIZATION SPONSORED EVENTS WITH ALCOHOL:**
Any recognized student organization and office working with student organizations sponsoring an off-campus event with alcohol must adhere to the following:

- No student organization sponsored event that includes alcohol shall exceed four (4) hours. **Under NO circumstances** are alcoholic beverages to be sold by the sponsoring organization.

POLICY ON PEER-TO-PEER (P2P) FILE SHARING
All members of the College of Charleston community are required to follow the College Policy on Peer-to-Peer File Sharing. This Policy covers all electronic means to transmit, disseminate or store copyrighted materials including e-mail, web pages, and peer-to-peer file sharing software. The Policy also applies to all computers and applications utilizing the College network. Please be sure that you have rights for any material you are making available or sharing on the College network.

The unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject you to disciplinary action as well as civil and criminal liabilities. With regard to students, a detailed description of the College’s policies concerning disciplinary actions for the unauthorized downloading and unauthorized distribution of copyrighted material is set forth in the Student Handbook. Students risk losing their computer access privileges due to multiple violations of the policy. With regard to faculty, a detailed description of the College’s policies concerning disciplinary actions for the violating federal law is set forth in the Faculty and Administrative Manual (Section VII, B).

A summary of the current civil and criminal penalties for violation of federal copyright laws is as follows:
The infringer may be required to pay the actual dollar amount of damages in an amount equal to the profits gained from the infringement or, alternatively, pay what are termed “statutory damages”. Statutory damages can range from $750.00 to $30,000.00 for each work infringed, unless the court finds that the infringement was willful. In such cases, the maximum penalty is increased to $150,000.00.

The court may also award attorneys’ fees and court costs, issue an injunction to stop the infringing acts and impound the illegal works.

The infringer can be sent to jail for up to 10 years.

Under the law, it is not necessary to establish that the infringer made a profit from the infringement in order to establish liability for the infringement. Therefore, liability can be imposed for common illegal peer to peer file sharing, for example the improper downloading of music and video files, even if the infringer has not gained a profit from the illegal activity. For Users who distribute any quantity of copyrighted materials, or advertise their services to Users even thou they receive no financial benefit, they may also be subject to criminal investigations and incarceration.
