II. Scope

The *Vehicle Use Policy for Conducting The Official Business of The College of Charleston* and this Supplement apply to all College Vehicles, Rental Vehicles, State Fleet Vehicles and Privately Owned Vehicles when driven by a student to conduct an official activity of the College.

III. Official Use

Safety (hereafter, "EHS") are permitted to drive College of Charleston vehicles for conducting official activities of the College, including curricular activities that are course or research related and co-curricular activities that are related to recognized student organizations and athletic teams.

Students who are traveling in conjunction with an official activity of the College must obtain an approved Travel Authorization form from the appropriate College authority in advance of travel. Expenses associated with vehicle use will not be paid for or reimbursed without an approved Travel Authorization form.

IV. Authorized Drivers

A. Passenger Vehicles

Students who are driving a vehicle for an official activity of the College must be designated as "Authorized Drivers". Authorization to drive is valid for the current school year through August 1st and must be renewed each year. To be deemed an "Authorized Driver" a student must:

- 1) Be at least 18 years of age;

Vehicles may be rented by students to conduct official activities of the College, provided that the drivers of the vehicles have been deemed Authorized Drivers by EHS.

A. Contract Car Rental Companies

At the current time the College has a contract with Enterprise-Rent-A-Car for rentals that take place in the State of South Carolina. This contract requires Enterprise to rent vehicles to students who are at least 18 years old, and the contract contains both negotiated rental rates and various insurance coverages. Enterprise-Rent-A-Car is the mandatory source for the rental of passenger vehicles within the State, and should be used for all rental vehicles unless an appropriate vehicle is unavailable. The vehicle rental fee should be paid directly by the College through a Travel Authorization.

B. Rented Vehicles (from other than Contract Car Rental Companies)

If an appropriate vehicle is not available through the College's contract car rental company, students may contract with other car rental companies.

- 1) Vehicles rented through other companies will be covered by the College's Auto Insurance Policy if the rental fees are paid directly by the College through a Travel Authorization.

- 2) Vehicles that are rented through other companies and are not paid directly by the College through a Travel Authorization will not be covered by the College's Auto Insurance Policy. If the vehicle rental fee is not paid directly by the College, the student is to purchase a Collision Damage Waiver and a Liability Damage Waiver through the rental car company.

C. Vehicles Rented Outside the State of South Carolina:

In all situations of an out-of-state rental the Student is to purchase both Collision Damage and Liability Damage Waivers.

D. Vehicles Rented through the State Interagency Fleet at the Citadel:

Students may rent vehicles owned by the State Interagency Fleet and available through The Citadel. Rental arrangements can be made by contacting the Citadel's Physical Plant Motor Pool Dispatcher at 843.953.6851. The College will be billed for the rental fees by the State Fleet Department, and payment should be made via an Interagency IDT through the Controller's Office. Vehicles rented through the State Interagency Fleet are covered by the State Fleet's Auto Insurance Policy.

E. Procedures for Payment by a Travel Authorization

- 1) Receive a Travel Authorization (hereafter, "TA") from the appropriate College authority;
- 2) Provide the TA number to the Rental Car Company that will be renting the vehicle to the student.

F. General Prohibition
